An important message for us all by one of our amazing students
When reflecting on the recent bomb attack in Brussels, 5/6K were asked to think about the world they want to live in when they are adults. All the students wrote from the heart, but we would particularly like to share Jenpattra’s response. We can all draw confidence from our youth that they will create a better world for everyone.

I want my world to be a place where people have places to feel safe, warm and loved. The greed we contain shall dissipate and will be replaced by selflessness. We will work hard for what we believe is right and bend rules for the better of others. Scams, lies; they all shall disappear and truth will be shared. People will care instead of ignoring, and society will accept instead of judging. We will all work together and fight as one. We shall unite and stay as individuals.
This is my ideal world but maybe, just maybe this will happen.

Students will be walking to Killara Ave. We will also take this opportunity to familiarise the students with the cross country track for our carnival the following week. We are expecting to be back on school grounds by 11.00am.
**Lost Property**

Please make sure your child’s belongings are clearly marked with their name and class. Unlabelled items will be placed in the Lost Property bins located in ‘H’ block on the verandah between K/1H and KR and, in ‘A’ block between the library and learning centre. All unclaimed items at the end of the term will be given to charity or the clothing pool.

**PSSA fees**

Can all PSSA money be put into an envelope with your child’s name, class and the date and returned to the black money boxes located in the front of the old office block and Mrs Brien’s room.

**TEACHING INTERNET SAFETY**

Many students will use the internet every day whether it is in class or at home, but a lot of young students and even some older will often be unaware of the dangers of being online. Surfing the web is great fun and, with caution, can be a safe and secure environment for your students. There are just a few things they should remember.

1. **The internet is forever**

   Everything you write, upload or post on the internet is stored there forever and most of the time it is completely public. Deleting something that you’ve put on the internet will not always make it completely disappear. A trace of data will be left.

2. **Nothing personal**

   Don’t put anything personal online, such as your full name, phone number or address. Having personal information situated online will leave you vulnerable to attacks by people both online and offline. To check if you have anything online that you don’t want, try googling your name and phone number or address and see what the search results find. If you are on social media, have a trusted friend check your account from theirs.

3. **Don’t talk to strangers**

   Whether it is in a forum, messenger app or chat room, do not talk to anyone you don’t know. This goes for photos as well. Never send photos to people you’ve met online. The general rule for online conversations is to stop talking to anyone who is making you feel uncomfortable or unsafe.

**ANZAC CENTENARY**

Each Year we recognise the ANZAC tradition, which was forged 100 years ago at Gallipoli on 25 April, 1915. On **Thursday 28 April** our school will be conducting a commemorative ANZAC Day service to recognise this significant event in Australia’s history. I would like to invite you to join us on this occasion and also extend this invitation to any family members who have served or are presently serving in the Australian Defence Forces. The service will commence at **10.00am** in the assembly hall. We encourage the children to bring flowers on this day. The flowers will be laid on the steps to the stage in the Assembly Hall along with traditional wreaths as a mark of respect for the ANZACs.

If you would like your child to participate in this part of the service please send some flowers with your child to school on this day.
